

BISCAYNE BAY CLEANUP DAY

WHEN: April 19, 2008 from 9:00 A. M. to 12:00 P. M.

WHERE: Julia Tuddle Causeway. From South, take I-95 north to I-195 and proceed east towards Miami Beach, take the hospital detour and return to the causeway in the westerly direction; the banner will be visible on the NE corner of the Causeway immediately after the Mount Sinai Medical Center in the westerly direction of the causeway. From North, take I-95 south to I-195 and drive east towards Miami Beach, follow the same directions as shown above. The banner will be at the same location.

Everybody is invited to the greatest shoreline cleanup in Miami-Dade County. Join volunteers such as you to make a difference in our natural environment.

The Miami-Dade Department of Environmental Resources Management (DERM) sponsors and hosts this annual event as part of the Baynanza Festival.

Free T-shirts will be provided for your participation in this important environmental event.

Wear: Comfortable clothing, no sandals, please. Sunglasses, and a hat.

Be Sure to Bring: Extra water, your own food, mosquito repellent, working gloves (gloves will not be provided), rakes.

Writing Assignment: At the discretion of your own instructor.

For more information contact Dr. Edwin Ginés-Candelaria (Room 1605, Tel 305-237-3396 or at email: egines@mdc.edu)
